

Ice Cube Machines

Ice for every need.

Today, ice plays various roles. A style element for cocktail drinks. A cool bedding for delicacies. A preserver of life saving drugs. The list is as long as it is diverse. And to meet your specific usage requirements of ice in the best possible way, you can always rely on the expert. Blue Star.

Why Blue Star?

Blue Star, India's leading airconditioning company, collaborates with NTF (Italy), the world's leading ice machine manufacturer, to bring you sophisticated ice-making machines that freeze water and make ice effectively. These machines are hygienic, energy efficient, durable and easy to maintain. Blue Star uses its expertise and domain knowledge to give you the products as per your needs and requirements. And with its widespread service network you can be sure of long life and optimum performance from your machine.

Advantages of Blue Star-NTF Ice Machines

Blue Star-NTF ice machines offer unmatched features that ensure longevity, high levels of hygiene, low cost of ownership and ease of use and maintenance.

Power saving design

Fully insulated ice bin preserves ice for a longer duration, ensuring low power consumption.

Totally safe

Designed with food-safe materials that provide for sanitised ice handling.

Perfect shapes

Advanced ice-forming process control ensures perfect shapes, under any environmental condition.

Water content control

System controls ideal ice and water ratio to suit the ice type.

Stainless steel body

Stainless steel body assures long life and durability.

Self-standing

Fully-foamed, self-standing housing provides for excellent insulation and long-term stability.

Space saver

Compact designs ensure an easy fit into the smallest of spaces.

Sprayers

Equipped with sprayers to limit lime deposit, reducing the need for frequent cleaning.

Auto stop and start

Automatic stop and start when there's no power or water supply.

Low noise

Designed for noiseless operation.

Ice Machines for Every Need

Gourmet Ice Cube Machines Blue Star – NTF Gourmet Ice Cube Machines produce compact truncated cone format ice cubes with slightly indented facets. These gourmet ice cubes give a refreshingly cool boost to your drinks without changing the flavour.
